NOTE.

It was considered desirable (as in 1881) that those of the public who might not require, or be disposed to purchase, the Census Abstracts and Reports in their completeness, should have access at a small cost to the statistics of the Territorial Division in which they may have a more immediate interest; and as, in Ireland, the County appears to be the most convenient and familiar area for which the principal particulars should be afforded in abstract, the Census Commissioners, with the approval of His Excellency the Lord Lieutenant, have presented Tables for each County in the Provinces of Leinster and Munster, and eight Counties in Ulster, and now present the following Tables for the County of Antrim; purposing to give similar Tables for each of the Counties in the Province of Connaught, at such short intervals as the progress of the work will permit.

COUNTY OF ANTRIM

(Including the City of Belfast, part of, and the County of the Town of Carrickfergus).

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in 1881, and give the following Summary of the results obtained respecting the County of Antrim from the Census Returns of 1891.

SUMMARY.

Area.

The County of Antrim covers an area of 762,080 statute acres, or 3·7 per cent. of the total area of the country.

Distribution of Land. (Table I.)

According to the Agricultural Statistics (Ireland) for last year (1891), there were 140,888 acres under tillage, 90,163 under meadow and clover, and 345,554 under pasture, making a total of 576,605 acres of Arable Land, or 81·2 per cent. of the total extent of land in the County; 5,710 acres, or 0·8 per cent., under Plantations; 29,594 acres, or 4·2 per cent., under Turf Bog; 7,002 acres, or 1·0 per cent., under Marsh; and 56,946 acres, or 8·0 per cent., under barren Mountain Land. The remaining 83,975 acres, or 4·8 per cent., were returned as under "Roads, Fences, &c., &c."

Population. (Table II.)

The number of persons in the County of Antrim according to the Census, was—in 1841, 354,178; in 1851, 352,268; in 1861, 368,977; in 1871, 404,015; in 1881, 421,943; and according to the recent Census, **428,128 (200,514 Males and 227,614 Females)**, or **1·5** per cent. more than in 1881.

Families and Houses.

The number of distinct Families in the County at the time of the late enumeration was 87,050, the average number of persons in a family being thus 4·8; and the number of Inhabited Houses was 81,729, showing an average of 5·1 persons to each house. In calculating these averages, the Special Inmates of Public Institutions have been omitted.

Baronies and Poor Law Unions. (Tables III. and VI.)

The following Statement shows, by Baronies and by Poor Law Unions, the number of persons in 1861 and 1891; and the increase or decrease during the decade:—

The numbers for the Poor Law Unions show an increase of 14·6 per cent. in that portion of Belfast Union in this County, and a decrease in each of the other Unions, the highest per-centage of decrease being 16·3 in the portion of Lurgan Union situated in the County.

Birthplaces of the Inhabitants. (Table xxiv.)

Of the persons enumerated in the County in 1891, 76·69 per cent. were born therein, 16·80 per cent. in other Counties of the Province of Ulster; 1·26 per cent. in Leinster; 0·47 per cent. in Munster; 0·30 per cent. in Connaught; 3·90 per cent. in Great Britain; 0·58 per cent. were born abroad; and 31 persons were born at sea.

Civic Districts (Table v.)

Towns having, in 1891, a population of 2,000 and upwards, are classified in the Tables as Civic districts. Antrim contains five such districts and portions of two others. In 1881, the population thereof amounted to 222,668; in 1891 it was 251,205, showing an increase of 28,537 persons, or 12·8 per cent. In the rural districts of the County there was a decrease of 11·2 per cent.

Parliamentary Representation (Table v.)

There are four Parliamentary Divisions in the County (exclusive of the Borough of Belfast, part of), viz.:—North Antrim, Mid Antrim, East Antrim, and South Antrim, each returning one Member to Parliament; North Antrim having, in 1891, a population of 51,090, and a constituency of 9,191; Mid Antrim, with a population of 50,027, and a constituency of 8,318; East Antrim, with a population of 52,032, and a constituency of 8,695; and South Antrim with a population of 51,887, and a constituency of 10,508. The Borough of Belfast contains four Parliamentary Divisions, each returning one Member, viz.:—East Belfast Division (including the portion situated in the County of Down), having a population of 85,661, and a constituency of 10,795; South Belfast Division, with a population of 58,508, and a constituency of 7,423; West Belfast Division, with a population of 61,360, and a constituency of 8,311; and North Belfast Division, with a population of 67,585, and a constituency of 8,122.

Religious Professions. (Table xxviii.)

The following Statement shows, according to Religious Professions, the number of persons in 1881 and 1891, and the increase or decrease during the decade:—

Religious Professions.	Number of Persons.		Per-centage of Total Population.		Increase or Decrease, 1881-1891.		
	1881	1891.	1881.	1891.	Increase.	Decrease.	Rate per cent.

Protestant Episcopalians,	98,101	100,244	23·3	24·3	2,033	—	0·2
Presbyterians,	183,940	180,275	43·6	42·1	—	3,665	1·3

Total,	421,943	428,128	100·	100·	6,185	—	1·3

From the above Table it will be seen that of the total population of the County in 1891, 24·9 per cent.

were Roman Catholics, 24·6 per cent., Protestant Episcopalians, 42·1 per cent., Presbyterians, 3·5 per cent., Methodists, and 4·7 per cent., members of other Religious Denominations. During the decade there was a decrease in the number of Roman Catholics, amounting to 1·8 per cent.; Protestant Episcopalians increased 6·2 per cent.; Presbyterians declined 1·9 per cent.; and there was an increase of 24·5 per cent. in the number of Methodists.

Education (Table xxx.)

The following Statement shows the Educational Status of the Inhabitants of the County of Antrim in 1881 and 1891, in so far as relates to the degrees of elementary education relative to which inquiry was made on the Census Forms:—

Degrees of Elementary Education.	1881.		1891.	
	Number of Persons.	Rate per cent.	Number of Persons.	Rate per cent.
Read and Write,	255,182	60·8	293,998	69·8
Read only,	70,085	16·6	47,781	11·2
Illiterate,	94,875	22·6	81,349	19·0
Total,	421,943	100·	423,128	100·

From the above it will be seen that whereas, according to the Returns of 1881, only 60·8 per cent. of the Inhabitants could "read and write," in 1891, 69·8 per cent. could do so; that the per-centage of the population who could "read only" in 1881 was 15·5, and in 1891, 11·2; and that the per-centage of the "illiterate" fell from 22·6 in 1881 to 19·0 in 1891.

(Table xxxii.) The following Statement shows the Population 5ve years old and upwards, also the number and proportion per cent. thereof who were Illiterate:—

——	1881.			1891.		
	Males.	Females.	Total.	Total.	Males.	Females.
Population, 5 years old and upwards,	171,163	200,748	371,911	381,176	176,817	204,359
Number of ditto Illiterate,	19,296	25,547	44,843	34,397	14,988	19,409
Proportion per cent.,	11·3	12·8	12·1	9·0	8·5	9·5

From the foregoing Statement it will be seen that, in 1881, 12·1 per cent. of the inhabitants aged five years and upwards were Illiterate (11·3 per cent. of the males and 12·8 of the females), and that, in 1891, the per-centage was but 9·0 (8·5 of the males and 9·5 of the females).

Religious Professions and Education. (Table xxxiii.)

Taking Religious Professions and Education in combination, it appears that in 1891, excluding children under five years of age, 15·6 per cent. of Roman Catholics, 10·0 per cent. of Protestant Episcopalians, 5·3 per cent. of Presbyterians, 4·7 per cent. of Methodists, and 4·0 per cent. of "all other Denominations" were Illiterate.

School Attendance. (Table xxxvii.)

The number of children attending school in the County of Antrim, according to the Census of 1881 (week ending 14th May), was 54,576, or 38·8 per cent. of persons aged 5 years and under 20; in 1891 the number returned (for week ending 30th May) was 64,380, or 46·5 per cent. of the persons aged 5 and under 20.

The Sick. (Table x.)

In 1881 the number of persons in the County of Antrim returned as Sick, on the night of the Census, was 3,316 or 1 in every 127 of the population; in 1891 the number so returned was 3,026, or 1 in every 141 of the population; of the latter number 1,319 were at their own homes, and 1,707 were in hospital.

Pauperism. (Table x.)

The number of persons returned in 1881 as receiving relief under the Poor Law System was 6,320, or 1 in every 67 of the population; of this number 4,445 were inmates of Workhouses, and 1,875 were in receipt of outdoor relief; in 1891 the number returned was 5,102, or 1 in every 70 of the population; 3,936 of these being in the Workhouses, and 2,166 on outdoor relief.

Marriages, Births, and Deaths. (Table xii.)

For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the poor under the Medical Charities Act; which Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of Poor Law Electoral Divisions.

According to the Returns of the Registrar-General, the number of Marriages registered in the County of Antrim during the ten years ending 31st March, 1891, was 28,311, equal to an average annual rate of 6·7 per 1,000 of the population. The number registered in the whole of Ireland during the same period, affords an average annual rate of 4·3 per 1,000.

The number of Births registered in the County during the ten years was 118,936, affording an average annual rate of 28·0 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·2 per 1,000.

The Deaths registered during the decennium amounted to 69,385, being equal to an average annual rate of 21·0 per 1,000; the corresponding rate for the whole of Ireland was 17·8 per 1,000.

Emigration. (Table xxxviii.)

The number of Emigrants from the County during the ten years ending 61st March, 1891, amounted to 45,469 (25,694 males and 19,775 females); the number for the decade ending 31st March, 1681, was 59,431, for that ending 31st March, 1871, 54,670, and for that ending with March, 1861, 77,516, making a total of 237,086 for the forty years.

Registration of Births and Deaths and Emigration. Increase in the Population.

The number of Births registered during the ten years ending 31st March, 1891, being 118,933, and the number of Deaths 89,385; a natural increase of 29,548 would appear to have taken place in the Population; but the Emigrants, during the same period, having amounted to 45,469, the net result shown by this method of calculation is a decrease of 15,921. The population as shown by the Census Returns exhibits an increase of 6,185, a disparity in the results to be accounted for to some extent by the fact that no record of Immigration or of Migration from one part of Ireland to another is obtainable.

There were 1,870 military returned as serving in the County of Antrim in 1891.

NOTE.—The County of Antrim was divided into four Parliamentary Divisions under the Redistribution of Seats Act (1885) 48 & 49 Vic. cap. 23. The Parliamentary Borough of Belfast which hitherto had returned two members was at the same time extended, and the Borough was divided into four Divisions, each returning a member. Lisburn and Carrickfergus (County of the Town) which hitherto had returned one member each, ceased under the same Act to be Parliamentary Boroughs. The figures for 1881 for the Parliamentary Divisions are for the areas then included respectively in the Borough of Belfast (part of) and the remainder of the County of Antrim, including the County of the Town of Carrickfergus. The areas given for the townships and towns, and for South Antrim Parliamentary Division, and the Parliamentary Borough of Belfast, part of, are estimated.

(a) The remainder is in the County of Down. The houses and population of the entire City will be found in the Appendix, p. 141. The number of electors given is for the entire borough.

(b) The population for 1881 for Larne township includes 721 persons on board the SS. "State of Nevada." The vessel was bound from Glasgow for New York, and was in Larne Lough on the Census night.

(c) The remainder of the township of Lisburn, which has been extended since 1881, is in the County of Down. The figures for 1881 are for the smaller area. The entire township has an estimated area of 1,155 acres, and contains 12,250 persons.

(c) The Act for the Registration of Births and Deaths (26 Vic., cap. 11), by which the Registrars' Districts were defined, did not come into operation until 1864. It is, therefore, not now found practicable to give the number of houses in 1841, 1851, and 1861, for each of the districts into which the electoral division of Belfast has been divided for registration purposes. The areas of the Districts of Belfast, Nos. 1, 2, 3, were altered between 1871 and 1891 by the transfer of several streets from the latter District to the two former, but the figures for 1871 have not been altered, as the number of houses and population in each, in that year, cannot be ascertained.

(d) The figures for Greencastle Electoral Division, part of, are in[illegible]castle Electoral Division, part of, in Belfast No. 2 Registrar's District.

(e) See note [illegible] (f) The remainder is in [illegible] District of Portrush.

(a) The remainder of this townland is in the township of Antrim.
(b) This amount includes a portion of the valuation of Antrim township.
(c) See note (f).
(d) This amount includes the valuation of the town of Muckamore.
(e) The remainder of the township of Antrim is in the parish of Antrim, see p. 13; for the entire township, see Table V., p. 10.
(f) The town of Muckamore stands on the townland of the same name. It was not separately returned in 1871 or 1881. The increase in 1891 between this town and townland is attributed to the employment of a number of persons in bleaching and beetling mills.

(a) The decrease is attributed to emigration. (b) See note (d) (c) This amount includes the valuation of a portion of the town of Randalstown.
(d) The town of Randalstown stands on the townlands of Ballygrooby, Feshogue, and Randalstown; its estimated area is 57 acres. The enumerator reported in 1881 that some of the houses, &c., then included in the town of Randalstown, were probably returned in the rural portions of the townlands of Ballygrooby and Feshogue in 1871.

NOTE.—The number of persons returned to a particular occupation, profession, or rank, must not be taken as intended to represent the actual total of persons so circumstanced in the County. An individual having more occupations than one, or an occupation distinct from his profession, or income distinct from both, will often, either through inadvertence, or of preference, return himself under one head only of occupation or condition. Thus, a person who may be a Clergyman and Professor, or Barrister and Land Agent, or Judge and Land Owner, will very generally be found returned in one of these characters.

(a) In this Class, Order, and Sub-Order, are included all persons *aged 15 years and upwards*, returned as "Scholar" or "Student."

NOTE.—The number of persons referred to a particular occupation, profession, or rank, must not be taken as intended to represent the actual total of persons so circumstanced in the City. An individual having more occupations than one, or an occupation distinct from his profession, or income distinct from both, will often, either through inadvertence, or of preference, return himself under one head only of occupation or condition. Thus, a person who may be a Clergyman and Professor or Barrister and Land Agent, or Judge and Land Owner, will very generally be found returned in one of these characters.

(a) In this Class, Order, and Sub-Order, are included all persons *aged 15 years and upwards* returned as "Scholar" or "Student."

* The remainder of the City of Belfast is situated in the County of Down. For detailed Tables of the *entire* City, see Appendix, Table J., page 144.

(a) The Civic Districts comprise all Municipal Boroughs, Townships, and Towns of 2,000 inhabitants and upwards.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses and may be thus described:—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st, its extent, as shown by the number of rooms; 2nd, its quality, as shown by the number of its windows; and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, i.e., their actual state.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, having only one room and window; in the third a better description of house, varying from one to four rooms and windows; in the second, what might be considered a good farm house, having from five to nine rooms and windows; and in the first class of all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz.:—

First Class accommodation consisting of 1st class houses, occupied by one family.
Second Class accommodation consisting of 2nd class houses, occupied by one family, or of 1st class houses, occupied by two or three families.
Third Class accommodation comprising 3rd class houses, with one family each, or 2nd class houses, with two or three families, or 1st class houses occupied by four or five families.
Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and first class houses inhabited by six or more families.

Class II. 4. 2. Other Service,	515	53	462	1	12	52	470	.	.

NOTE.—The number of persons referred to a particular occupation, profession, or rank, must not be taken as intended to represent the actual total of persons so circumstanced in the County. An individual having more occupations than one, or an occupation distinct from his profession, or income distinct from both, will often, either through inadvertence, or of preference, return himself under one head only of occupation or condition. Thus, a person who may be a Clergyman and Professor, or Barrister and Land Agent, or Judge and Land Owner, will very generally be found returned in one of these characters.

(a) In this Class, Order, and Sub-Order, are included all persons *aged 15 years and upwards*, returned as "Scholar" or "Student."

* The designation "Primary" has been applied in Irish Census Publications, since 1841, to schools where the instruction is exclusively English; while those schools in which a foreign language is taught have been classed as "Superior," upon the assumed likelihood that the presence of a foreign language in the school course argues a higher standard of general instruction than is to be found where such an element is wanting.

† These form the second group in the classification of the National Board, the Model Schools being the first. See Rules of the Commissioners of National Education, page 6.

NOTE.

It was considered desirable (as in 1881) that those of the public who might not require, or be disposed to purchase the Census Abstracts and Reports in their completeness, should have access at a small cost to the statistics of the Territorial Division in which they may have a more immediate interest; and as, in Ireland, the County appears to be the most convenient and familiar area for which the principal particulars should be afforded in abstract, the Census Commissioners, with the approval of His Excellency the Lord Lieutenant, have published Tables for the several Counties in the Provinces of Ulster, and now present Summary Tables for that Province, and a Synopsis of the results given in the Summaries prefixed to the County Books, together with Indexes to the several Territorial Divisions. Similar information has been published for the Provinces of Leinster and Munster, and the corresponding Tables for the Province of Connaught will shortly be completed.

It has not been considered necessary to compile Provincial Summaries of Tables IV., VII., XV., XX., XXI., and XXXI.

CENSUS OF IRELAND, 1891.

PROVINCE OF ULSTER.

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in 1881, and give the following Summary of the results obtained respecting the Province of Ulster from the Census Returns of 1891.

SUMMARY.

Area.

The Province of Ulster covers an area of 8,483,200 statute acres, or 28·4 per cent. of the total area of the country.

Distribution of Land. (Table 4.)

According to the Agricoltural Statistics (Ireland) for last year (1891), there were 1,113,331 acres under tillage, 572,153 under meadow and clover, and 2,299,755 under pasture, making a total of 3,985,239 acres of Arable Land, or 78·8 per cent., of the total extent of land in the Province; 59,708 acres, or 1·1 per cent., under Plantations; 262,822 acres, or 5·0 per cent., under Turf Bog; 89,315 acres, or 1·7 per cent., under Marsh, and 638,847 acres, or 12·1 per cent, under barren Mountain Land. The remaining 238,729 acres, or 4·5 per cent., were returned as under "Roads, Fences, &c., &c."

Population. (Table ii.)

The number of persons in the Province of Ulster according to the Census was—in 1841, 2,386,373; in 1851, 2,011,880; in 1861, 1,914,236; in 1871, 1,833,228; in 1881, 1,743,075, and according to the recent Census, **1,619,814** (**781,329** Males, and **838,485** Females) or **7·1** per cent. less than in 1881.

Families and Houses.

The number of distinct Families in the Province at the time of the late enumeration was 337,288, the average number of persons in a family being thus 4·7; and the number of Inhabited Houses was 328,547, showing an average of 4·9 persons to each house. In calculating these averages, the Special Inmates of Public Institutions have been omitted.

Counties. (Tables iii. and vi.)

From the foregoing Statement it will be observed that the highest per-centages of decrease in the Counties took place in Monaghan and Cavan, viz., 16·1 and 13·6 respectively; and the lowest in Down and Londonderry, viz., 1·8 and 7·9 respectively. There was an increase of 1·5 per cent. in Antrim.

Birthplaces of the Inhabitants. (Table xxiv.)

Of the persons enumerated in the Province in 1891, 95·61 per cent. were born therein; 1·05 per cent. in Leinster; 0·31 per cent. in Munster; 0·40 per cent. in Connaught; 2·23 per cent. in Great Britain; 0·40 per cent. were born abroad; and 54 persons were born at sea.

Civic Districts Table v.)

Towns having, in 1891, a population of 2,000 and upwards, are classified in the Tables as civic districts.

The Province contains 32 such districts. In 1881 the population thereof amounted to 398,818; in 1891 it was 447,359, showing an increase of 48,843 persons, or 12·3 per cent.; in the rural districts of the Province there was a decrease of 12·8 per cent.

Religious Professions. (Table xxviii.)

The following statement shows, according to Religious Professions, the Number of Persons in 1881 and 1891, and the increase or decrease during the decade:—

Religious Professions.	Number of Persons.		Per-centage of Total Population.		Increase or Decrease, 1881-1891.		
	1881.	1891.	1881.	1891.	Increase.	Decrease.	Rate per cent.
Roman Catholics,	833,598	744,859	47·8	46·0	—	88,707	10·6
Protestant Episcopalians,	370,402	362,701	21·2	22·4	—	12,611	4·4
Presbyterians,	451,020	426,745	25·8	26·3	—	25,334	9·6
Methodists,	34,235	40,938	2·0	2·5	6,703	—	19·1
All other Denominations (and Religion unascertained),	43,332	44,951	2·6	2·8	1,619	—	3·5
Information refused,	361	340	—	—	318	—	—
Total,	1,743,075	1,619,814	100	100	—	123,261	7·1

From the above Table it will be seen that of the total population of the Province in 1891, 46·0 per cent. were Roman Catholics, 21·8 per cent. Protestant Episcopalians, 25·9 per cent. Presbyterians, 2·5 per cent. Methodists, and 2·8 per cent. members of other Religious Denominations. During the decade there was a decrease in the number of Roman Catholics, amounting to 10·6 per cent.; Protestant Episcopalians declined 4·4 per cent.; and Presbyterians 5·6 per cent.; and there was an increase of 5,703, or 16·1 per cent. in the number of Methodists.

Education. (Table xxx.)

The following statement shows the Educational Status of the Inhabitants of the Province of Ulster in 1881 and 1891, in so far as relates to the degrees of elementary education relative to which inquiry was made on the Census Forms :—

Degrees of Elementary Education.	1881.		1891.	
	Number of Persons.	Rate per cent.	Number of Persons.	Rate per cent.
Read and Write,	980,300	63·4	1,023,766	63·5
Read only,	305,118	17·6	202,778	12·5
Illiterate,	505,846	29·0	386,271	24·0
Total,	1,742,075	100	1,612,814	100

From the above it will be seen that whereas, according to the Returns of 1881, only 53·4 per cent. of the Inhabitants could "read and write," in 1891, 63·5 per cent. could do so ; that the per-centage of the population who could "read only" in 1881 was 17·6, and in 1891, 12·5 ; and that the per-centage of the "illiterate" fell from 29·0 in 1881 to 24·0 in 1891.

Table xxxii.

The following statement shows the Population five years old and upwards, also the number and proportion per cent. thereof who were Illiterate.

—	1881			1891.		
	Males.	Females.	Total.	Total.	Males.	Females.
Population, 5 years old and upwards,	733,005	812,634	1,581,269	1,465,961	607,879	767,782
Number of ditto Illiterate,	142,849	171,271	314,000	224,118	105,124	118,994
Proportion per cent.,	19·3	21·1	20·3	15·4	15·1	15·7

From the foregoing statement it will be seen that, in 1881, 20·3 per cent. of the inhabitants, aged 5ve years and upwards, were Illiterate (19·3 per cent. of the males and 21·1 of the females), and that, in 1891, the per-centage was but 15·4 (15·1 of the males and 15·7 of the females).

Religious Professions and Education. (Table xxxiii.)

Taking Religious Professions and Education in combination, it appears that in 1891, excluding children under five years of age, 24·0 per cent. of Roman Catholics, 11·4 per cent. of Protestant Episcopalians, 5·7 per cent. of Presbyterians, 4·9 per cent. of Methodists, and 4·5 per cent. of "all other Denominations" were Illiterate.

School Attendance. (Table xxxvii.)

The number of children attending school in the Province of Ulster, according to the Census of 1881 (week ending 14th May), was 211,337, or 35·4 per cent. of persons aged 5 years and under 20 ; in 1891 the number returned (for week ending 30th May), was 225,642, or 42·4 per cent. of the persons aged 5 and under 20.

The Sick. (Table x.)

In 1881 the number of persons in the Province of Ulster returned as Sick, on the night of the Census, was 10,792, or 1 in every 162 of the population ; in 1891 the number so returned was 9,425, or 1 in every 172 of the population ; of the latter number 5,849 were at their own homes, and 3,576 were in hospital.

Pauperism. (Table x.)

The number of persons returned in 1881 as receiving relief under the Poor Law System was 18,837, or 1 in every 93 of the population ; of this number 12,064 were inmates of Workhouses, and 6,773 were in receipt of outdoor relief ; in 1891 the number returned was 16,140, or 1 in every 100 of the population ; 8,900 of these being in the Workhouses, and 7,240 on outdoor relief.

Marriages Births, and Deaths. (Table xii.)

For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendant Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the poor under the Medical Charities Act; which Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of Poor Law Electoral Divisions.

According to the Returns of the Registrar-General, the number of Marriages registered in the Province of Ulster, during the ten years ending 31st March, 1891, was 80,149, equal to an average annual rate of 4·8 per 1,000 of the population. The number registered in the whole of Ireland during the same period affords an average annual rate of 4·3 per 1,000.

The number of Births registered in the Province during the ten years was 396,894, affording an average annual rate of 23·6 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·2 per 1,000.

The Deaths registered during the decennium amounted to 301,965, being equal to an average annual rate of 18·0 per 1,000 ; the corresponding rate for the whole of Ireland was 17·8 per 1,000.

Emigration. (Table xxxviii.)

The number of Emigrants from the Province during the ten years ending 31st March, 1891, amounted to 216,524 (114,131 males and 102,393 females) ; the number for the decade ending 31st March, 1881, was 240,110 ; for that ending 31st March, 1871, 201,240 ; and for that ending with March, 1861, 341,261, making a total of 999,135 for the forty years.

Registration of Births and Deaths and Emigration. Decrease in the Population.

The number of Births registered during the ten years ending 31st March, 1891, being 396,894, and the number of Deaths 301,965 ; a natural increase of 94,929 would appear to have taken place in the Population ; but the Emigrants, during the same period, having amounted to 216,524, the net result shown by this method of calculation is a decrease of 121,595 ; the decrease in the population, as shown by the Census Returns, amounts to 123,281.

NOTES.—The Counties in the Province of Ulster were divided into Parliamentary Divisions under the Redistribution of Seats Act (1885), 48 & 49 Vict., cap. 23. The area of the Parliamentary Borough of Belfast, which hitherto had returned two Members, was increased under the same Act and divided into four divisions, each returning a Member. The figures for 1881 are for the smaller area. The Parliamentary Boroughs of ARMAGH, CARRICKFERGUS, COLERAINE, DOWNPATRICK, DUNGANNON, and MONAGHAN, which hitherto had returned one Member each, ceased to be Parliamentary Boroughs. No change occurs in the Boroughs of LONDONDERRY and NEWRY.

(a) The Civic Districts comprise all Municipal Boroughs, Townships, and Towns of 2,000 inhabitants and upwards.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described:—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st, its extent, as shown by the number of rooms. 2nd, its quality, as shown by the number of its windows; and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, i.e., their normal state.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, having only one room and window; in the third a better description of house, varying from one to four rooms and windows; in the second, what might be considered a good farm house, having from five to nine rooms and windows; and in the first class all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz.:—

First Class accommodation consisting of 1st class houses, occupied by one family.
Second Class accommodation consisting of 2nd class houses, occupied by one family, or of 1st class houses occupied by two or three families.
Third Class accommodation comprising 3rd class houses with one family each, or 2nd class houses with two or three families, or 1st class houses occupied by four or five families.
Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st class houses inhabited by six or more families.

NOTE.—The number of persons referred to a particular occupation, profession, or rank, must not be taken as intended to represent the actual total of persons so circumstanced in the Province. An individual having more occupations than one, or an occupation distinct from his profession, or income distinct from both, will often, either through inadvertence, or of preference, return himself under one head only of occupation or condition. Thus, a person who may be a Clergyman and Professor, or Barrister and Land Agent or Judge and Land Owner, will very generally be found returned in one of these characters.

(a) In this Class, Order, and Sub-Order, are included all persons *aged 15 years and upwards*, returned as "Scholar" or "Student."

* The designation "Primary" has been applied in Irish Census Publications, since 1881, to schools whose the instruction is exclusively English; while those schools in which a foreign language is taught have been classed as "Superior," upon the assumed likelihood that the presence of a foreign language in the school course argues a higher standard of general instruction than is to be found where such an element is wanting.

† These form the second group in the classification of the National Board; the Model Schools being the first. See Rules of the Commissioners of National Education, page 5.

INDEX TO TOWNLANDS AND TOWNS.

NOTE.—The County in which each Townland or Town is situated may be determined by comparing the number of the page on which it appears with the numbers of the pages occupied by each County—thus the Townland of Abbernadoorny, which is to be found on page 308, is in the County of Donegal, as that County occupies pp. 447 to 486.

The number *prefixed* to each Townland denotes the number of the Electoral Division in which it is situated, as given in the Alphabetical List of Electoral Divisions commencing on p. 1011: thus the Townland of Acravally having 328 prefixed, shows that it is situated in the Electoral Division of The Fair Head, and Poor Law Union of Ballycastle. See p. 1014.

* The designation "Primary" has been applied in Irish Census publications, since 1841, to schools where the instruction is exclusively English; while those schools in which a foreign language is taught have been classed as 'Superior," upon the assumed likelihood that the presence of a foreign language in the school course argues a higher standard of general instruction than is to be found where such an element is wanting.

† These form the second group in the classification of the National Board, the Model Schools being the first. See Rules of the Commissioners of National Education, page 5.

NOTE.—The number of persons referred to a particular occupation, profession, or rank, must not be taken as intended to represent the actual total of persons so circumstanced in the City. An individual having more occupations than one, or an occupation distinct from his profession or income distinct from both, will often, either through inadvertence, or of preference, return himself under one head only of occupation or condition. Thus, a person who may be a Clergyman and Professor, or Barrister and Land Agent, or Judge and Land Owner, will very generally be found returned in one of these characters.

(a) In this Class, Order, and Sub-Order, are included all persons *aged 15 years and upwards*, returned as "Scholar" or "Student."

* The designation "Primary" has been applied in Irish Census Publications since 1841, to schools where the instruction is exclusively English; while those schools in which a foreign language is taught have been classed as "Superior," upon the assumed likelihood that the presence of a foreign language in the school course argues a higher standard of general instruction than is to be found where such an element is wanting.

† These form the second group in the classification of the National Board, the Model Schools being first. See Rules of the Commissioners of National Education, page 6.

NOTE.

It was considered desirable (as in 1881) that those of the public who might not require, or be disposed to purchase, the Census Abstracts and Reports in their completeness, should have access at a small cost to the statistics of the Territorial Division in which they may have a more immediate interest; and as, in Ireland, the County appears to be the most convenient and familiar area for which the principal particulars should be afforded in abstract, the Census Commissioners, with the approval of His Excellency the Lord Lieutenant, have presented Tables for each County in the Provinces of Leinster and Munster and one County in Ulster, and now present the following Tables for the County of Armagh; purposing to give similar Tables from time to time, for each of the remaining Counties, at such short intervals as the progress of the work will permit.

CENSUS OF IRELAND, 1891.

COUNTY OF ARMAGH.

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in 1881, and give the following Summary of the results obtained respecting the County of Armagh from the Census Returns of 1891.

SUMMARY.

Area.

The County of Armagh covers an area of 328,086 statute acres, or 1·6 per cent. of the total area of the country.

Distribution of Land. (Table I.)

According to the Agricultural Statistics (Ireland) for last year (1891), there were 96,260 acres under tillage, 49,971 under meadow and clover, and 126,130 under pasture, making a total of 272,361 acres of Arable Land, or 87·6 per cent. of the total extent of land in the County; 3,884 acres, or 1·2 per cent., under Plantations; 7,496 acres, or 2·4 per cent., under Turf Bog; 2,727 acres, or 0·9 per cent., under Marsh; and 9,208 acres, or 3·0 per cent., under barren Mountain Land. The remaining 15,372 acres, or 4·9 per cent., were returned as under "Roads, Fences, &c., &c."

Population. (Table II.)

The number of persons in the County of Armagh according to the Census, was—in 1841, 232,393; in 1851, 196,084; in 1861, 190,086; in 1871, 179,260; in 1881, 163,177; and according to the recent Census, **143,289** (**68,370** Males and **74,919** Females), or **12·2** per cent. less than in 1881.

Families and Houses.

The number of distinct Families in the County at the time of the late enumeration was 31,104, the average number of persons in a family being thus 4·6; and the number of Inhabited Houses was 30,550, showing an average of 4·6 persons to each house. In calculating these averages, the Special Inmates of Public Institutions have been omitted.

Baronies and Poor Law Unions. (Tables III. and VI.)

The following Statement shows, by Baronies and by Poor Law Unions, the number of persons in 1881 and 1891; and the decrease during the decade:—

Baronies.	Population.		Decrease between 1881 and 1891.		Poor Law Unions.	Population.		Decrease between 1881 and 1891.

Total,	163,177	143,289	19,888	12·2	Total,	163,177	143,289	19,888	12·2

From the foregoing Statement it will be observed that the highest per-centages of decrease in the Baronies took place in Fews Lower, and Orior Lower, viz., 18·6 and 15·5 respectively; and the lowest in Oneilland East, and Orior Upper, viz., 1·0 and 12·4 respectively. The highest per-centage of decrease in the Poor Law Unions occurred in that portion of Armagh situated in this County, and the lowest in the part of Lurgan in this County.

Birthplaces of the Inhabitants. (Table xxiv.)

Of the persons enumerated in the County in 1891, 86·96 per cent. were born therein, 9·18 per cent. in other Counties of the Province of Ulster; 1·56 per cent. in Leinster; 0·29 per cent. in Munster; 0·23 per cent. in Connaught; 1·46 per cent. in Great Britain; 0·32 per cent. were born abroad; and 5 persons were born at sea.

Civic Districts (Table v.)

Towns having, in 1891, a population of 2,000 and upwards, are classified in the Tables as Civic districts. The County contains four such districts, and portion of another; in 1881, the population thereof amounted to 36,838; in 1891 it was 36,109, showing a decrease of 729 persons, or 2·0 per cent. In the rural districts of the County the decrease was 15·2 per cent.

Parliamentary Representation (Table v.)

There are three Parliamentary Divisions in the County, each returning one Member of Parliament, viz.:—North Armagh, having a population of 49,157, and a constituency of 9,856; Mid Armagh, having a population of 45,264, and a constituency of 7,718; and South Armagh, with a population of 43,219, and a constituency of 7,999. The Borough of Newry, part of which is situated in this County, returns one Member, and has a constituency of 1,875.

Religious Professions. (Table xxviii.)

The following Statement shows, according to Religious Professions, the number of persons in 1881 and 1891, and the increase or decrease during the decade:—

Religious Professions.	Number of Persons.		Per-centage of Total Population.		Increase or Decrease, 1881–1891.		
	1881.	1891.	1881.	1891.	Increase.	Decrease.	Rate per cent.
Roman Catholics,	79,709	66,004	48·4	46·1	—	3,705	12·3
Protestant Episcopalians,	53,360	46,135	32·7	32·2	—	7,225	13·6
Presbyterians,	26,077	22,916	16·0	16·0	—	3,161	12·1
Methodists,	4,884	4,339	3·0	3·7	455	—	9·3

Information refused,	6	39	—	—	21	—	—
Total,	163,177	143,289	100·	100·	—	19,888	12·2

From the above Table it will be seen that of the total population of the County in 1891, 46·1 per cent. were Roman Catholics, 32·2 per cent., Protestant Episcopalians, 16·0 per cent., Presbyterians, 3·7 per cent., Methodists, and 2·0 per cent., members of other Religious Denominations. During the decade there was a

decrease in the number of Roman Catholics, amounting to 12·8 per cent.; Protestant Episcopalians declined 13·6 per cent. and Presbyterians, 12·1 per cent.; there was an increase of 455, or 9·3 per cent., in the number of Methodists.

Education. (Table xxx.)

The following Statement shows the Educational Status of the Inhabitants of the County of Armagh in 1881 and 1891, in so far as relates to the degrees of elementary education relative to which inquiry was made on the Census Forms:—

Degrees of Elementary Education.	1881.		1891.	
	Number of Persons.	Rate per cent.	Number of Persons.	Rate per cent.
Read and Write, ...	81,319	49·8	84,200	58·9
Read only, ...	31,690	19·3	20,402	14·2
Illiterate, ...	50,168	30·9	38,627	26·9
Total, ...	163,177	100·	143,280	100·

From the above it will be seen that whereas, according to the Returns of 1881, only 49·8 per cent. of the Inhabitants could "read and write," in 1891, 58·9 per cent. could do so; that the per-centage of the population who could "read only" in 1881 was 19·3 and in 1891, 14·2; and that the per-centage of the "illiterate" fell from 30·9 in 1881 to 26·9 in 1891.

(Table xxxii.)

The following Statement shows the Population five years old and upwards, also the number and proportion per cent. thereof who were Illiterate:—

—	1881.			1891.		
	Males.	Females.	Total.	Total.	Males.	Females.
Population, 5 years old and upwards, .	68,968	76 854	145,822	125,746	60,921	67,825
Number of ditto Illiterate, ...	14,605	18,068	33,013	23,984	10,564	13,120
Proportion per cent., ...	21·2	24·0	22·6	19·0	17·3	19·3

From the foregoing Statement it will be seen that, in 1881, 22·6 per cent. of the inhabitants aged five years and upwards were Illiterate (21·2 per cent. of the males and 24·0 of the females), and that, in 1891, the per-centage was but 18·6 (17·3 of the males and 19·3 of the females).

Religious Professions and Education. (Table xxxiii.)

Taking Religious Professions and Education in combination, it appears that in 1891, excluding children under five years of age, 26·8 per cent. of Roman Catholics, 15·3 per cent. of Protestant Episcopalians, 6·1 per cent. of Presbyterians, 6·7 per cent. of Methodists, and 5·6 per cent. of "all other Denominations" were Illiterate.

School Attendance. (Table xxxvii.)

The number of children attending school in the County of Armagh, according to the Census of 1881 (week ending 14th May), was 19,902, or 35·2 per cent. of persons aged 5 years and under 20; in 1891 the number returned (for week ending 30th May) was 21,083, or 45·2 per cent. of the persons aged 5 and under 20.

The Sick. (Table x.)

In 1881 the number of persons in the County of Armagh, returned as Sick, on the night of the Census, was 919, or 1 in every 178 of the population; in 1891 the number so returned was 743, or 1 in every 193 of the population; of the latter number 425 were at their own homes, and 318 were in hospital.

Pauperism (Table x.)

The number of persons returned in 1881 as receiving relief under the Poor Law System was 1,673, or 1 in every 98 of the population; of this number 1,273 were inmates of Workhouses, and 400 were in receipt of outdoor relief, in 1891 the number returned was 1,317 or 1 in every 109 of the population, 749 of these being in the Workhouses, and 568 on outdoor relief.

Marriages, Births, and Deaths. (Table xii.)

For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the poor under the Medical Charities Act; which Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of Poor Law Electoral Divisions.

According to the Returns of the Registrar-General, the number of Marriages registered in the County of Armagh during the ten years ending 31st March, 1891, was 7,173, equal to an average annual rate of 4·7 per 1,000 of the population. The number registered in the whole of Ireland during the same period, affords an average annual rate of 4·3 per 1,000.

The number of Births registered in the County during the ten years was 35,997, affording an average annual rate of 23·5 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·2 per 1,000.

The Deaths registered during the decennium amounted to 29,145, being equal to an average annual rate of 19·0 per 1,000; the corresponding rate for the whole of Ireland was 17·8 per 1,000.

Emigration. (Table xxxviii.)

The number of Emigrants from the County during the ten years ending 31st March, 1891, amounted to 20,577 (11,006 males and 9,571 females); the number for the decade ending 31st March, 1881, was 19,603, for that ending 31st March, 1871, 17,674, and for that ending with March, 1861, 29,496, making a total of 87,350 for the forty years.

Registration of Births and Deaths and Emigration. Decrease in the Population.

The number of Births registered during the ten years ending 31st March, 1891, being 35,997, and the number of Deaths 29,145; a natural increase of 8,852 would appear to have taken place in the Population; but the Emigrants, during the same period, having amounted to 20,577, the net result shown by this method of calculation is a decrease of 13,725; the decrease in the population, as shown by the Census Returns, was 19,688, a disparity in the results to be accounted for to some extent by the fact that no record of Migration from one part of Ireland to another is obtainable.

There were 657 Military returned as serving in the County of Armagh in 1891.

(g) The enumerator reports that the increase is owing to a number of persons being employed ie a factory in this townland.
(h) The City of Armagh was co-extensive with the townland of Corporation in 1881. A portion only of that townland is now included in the City for municipal purposes, and a portion of Parkmore or Demesne, townland has been added to it since 1881; its population includes inmates of public institutions. See Table IX., p. 301. The institutions referred to as being returned in the rural portion of Corporation townland were previously included in the City, see note (d²).
(i) See note (d³). (j) The town of Drumadd stands on the townland of the same name, it is a suburb of the City of Armagh.
(k) The remainder of the parish of Clonfeacle is in the barony of Oneilland, West, see p. 130, and in the barony of Dungannon, Middle, County of Tyrone.
(l) See note (n). (m) This amount includes the valuation of the town of Blackwatertown.
(n) The town of Blackwatertown stands on the townlands of Blackwatertown or Lisbofin, its estimated area is 28 acres.
(o) The decrease was attributed to the failure of hand-loom weaving.
(p) The remainder of the parish of Derrynoose is in the barony of Tiranny, see p. 128; the entire parish contains 3,679 persons.

(a) The remainder of the parish of Kilmore is in the barony of Onellland West, see p. 191; the entire parish contains 6,260 persons.
(a') The decrease is attributed to emigration. (b) The remainder is in the township of Tanderagee; the figures for 1851 and 1861 are for the entire townland.
(b') The town of Laurelvale stands on the townland of Tamnaghvelton in which its valuation is included. It has not previously been separately returned. It has an estimated area of 30 acres. The increase in population between the town and the townland on which it stands is attributed to increased employment in a weaving factory. (c) This amount includes a portion of the valuation of Tanderagee township.
(c') The increase in the population of this townland was attributed to the erection of a linen factory in the locality.
(d) The remainder of the township of Tanderagee is in the parish of Ballymore, see p. 194; for the entire township, see Table V., p. 178.
(e) The remainder of the parish of Loughgilly is in the baronies of Fews, Lower, and Orior, Upper, see pp. 188, 197, the entire parish contains 4,239 persons.
(f) See note (b). (g) This amount includes the valuation of Mount Norris town.
(h) The town of Mount Norris stands on the townland of the same name, its estimated area is 12 acres.
(i) The remainder of the parish of Forkill is in the barony of Orior, Lower, see p. 124; the entire parish contains 4,013 persons.

(a) The Civic Districts comprise all Municipal Boroughs, Townships and Towns of 2,000 inhabitants and upwards.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described:—
The value or condition of a house, as to its quality, may be considered to depend mainly on—
1st, its extent, as shown by the number of rooms; 2nd, its quality, as shown by the number of its windows; and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, i.e., their actual state.
Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, having only one room and window; in the third a better description of house, varying from one to four rooms and windows; in the second, what might be considered a good farm-house, having from five to nine rooms and windows; and in the first class of all houses of a better description than the preceding.
The accommodation which the houses afford has also been arranged under four classes, viz.:—
First Class accommodation consisting of 1st class houses, occupied by one family.
Second Class accommodation consisting of 2nd class houses, occupied by one family, or of 1st class houses, occupied by two or three families.
Third Class accommodation comprising 3rd class houses, with one family each, or 2nd class houses, with two or three families, or 1st class houses occupied by four or five families.
Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st class houses inhabited by six or more families.

NOTE.—The number of persons referred to a particular occupation, profession, or rank, must not be taken as intended to represent the actual total of persons as circumstanced in the county. An individual having more occupations than one, or an occupation distinct from his profession, or income distinct from both, will often, either through inadvertence, or of preference, return himself under one head only of occupation or condition. Thus, a person who may be a Clergyman and Professor or Barrister and Land Agent, or Judge and Land Owner, will very generally be found returned in one of these characters.

(a) In this Class, Order, and Sub-Order, are included all persons *aged 15 years and upwards*, returned as "Scholar" or "Student."
